

Manciano Silk

This fabric is made in Germany, at a mill that specializes in producing only silk. They are experts in this, and their silks are beautiful, lustrous, and completely machine washable. There is a substantial difference in the quality of their spinning, weaving, and finishing compared to Asian and Indian fabrics.

450 Thread Count

Content: 100% Silk

Colour: Natural

The Manciano collection consists of a Small Lattice Pattern, and a Solid

You can mix and match pieces from the other St.Geneve silk collections with Manciano.

This silk is completely machine washable and dryable. Please note that this silk will not be as shiny after the first laundering.
